

Techno India Group Public School, Konnagar
Summer Holiday Homework 2017-18
Class IV

When summer vacation starts
We get a big break from school
We enjoy all the time
And try to stay cool!!

Playing outside
Having fun!!
Eating ice creams
Under the sun.

Time to spend
With family and friends
But also study a bit
Being a good student!!

It will be wonderful vacation
A big sensation
For using our imagination,
To make a lovely creation

Dear Parent

Its vacation time again! The uphill task of keeping your little ones fruitfully occupied must be the top most priority in your mind. Some interesting, innovative and creative project work has been planned for your children to enable them to widen their horizon. Kindly allow them to do the work under your guidance and supervision.

- Do visit museums and monuments with your children to help them explore and learn about the rich— culture and heritage of India. Encourage your children to observe the sign boards and note down the instructions written on them for class discussion.
- Health is wealth- Accompany your children to the neighbourhood park and encourage them for a— morning walk and simple yoga exercises.
- Setting up a routine is a must to inculcate good habits. Let your child plan his/her daily routine— for a week.

****** School re-opens on Monday, 12th June, 2016******

Wishing all of you a very enjoyable and fun packed summer break!!

GENERAL INSTRUCTIONS:

- ❖ All the work should be hand-written and done neatly.
- ❖ Original drawings / illustrations and creative use of material will be appreciated.
