

Techno India Group Public School, Konnagar

Summer Holiday Homework 2017-18

Class V

When summer vacation starts
We get a big break from school
We enjoy all the time
And try to stay cool!!

Playing outside
Having fun!!
Eating ice creams
Under the sun.

Time to spend
With family and friends
But also study a bit
Being a good student!!

It will be wonderful vacation
A big sensation
For using our imagination,
To make a lovely creation

Dear Parent

Its vacation time again! The uphill task of keeping your little ones fruitfully occupied must be the top most priority in your mind. Some interesting, innovative and creative project work has been planned for your children to enable them to widen their horizon. Kindly allow them to do the work under your guidance and supervision.

- Do visit museums and monuments with your children to help them explore and learn about the rich→ culture and heritage of India. Encourage your children to observe the sign boards and note down the instructions written on them for class discussion.
- Health is wealth- Accompany your children to the neighbourhood park and encourage them for a→ morning walk and simple yoga exercises.
- Setting up a routine is a must to inculcate good habits. Let your child plan his/her daily routine→ for a week.

*****School re-opens on Monday, 12th June, 2017*****

Wishing all of you a very enjoyable and fun packed summer break!!

GENERAL INSTRUCTIONS:

- ❖ All the work should be hand-written and done neatly.
- ❖ Original drawings / illustrations and creative use of material will be appreciated.

ENGLISH: The holiday homework is based on any story book by Enid Blyton of "Famous Five" series. Read any of the books of Famous Five Series and do as directed:

- List out at least ten (10) new words you came across while reading the above series. Write them along with their meanings in the English Language notebook.
- Design a cover page of your own by using chart paper on the book you have read. Bring it to school after vacation.

2) Complete Exercise B & C of Page No. 13 in your Cornerstone book.

3) All of us enjoy having friends. Think and then enlist five qualities of your best friend which you would like to inculcate in yourself. Do this work in your copy.

MATH: Activity 1: Playing with numbers.

Find out 5 mobile numbers. Now do as directed in the project file:-

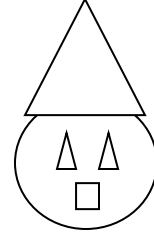

- a) Write the number name of each mobile number (In Indian and International place value system)
- b) Jumble the number of each mobile number and arrange the smallest and greatest numbers formed with each number.
- c) Arrange the mobile numbers in ascending order.

d) Find the population of India and West Bengal and write the numerals in word(In Indian and International place value system)

Activity 2: Make a tangram using different geometrical shapes.

Eg: A clown face using circle, triangle; body using rectangle etc.
(You can make a car, a house, a doll etc)

Use coloured Origami sheet and stick them in the project file.

SCIENCE:

Make a colourful booklet on any one of the following:

Polar Bear/ Camel / Whale / Lion

The booklet pages consist of: Page 1: Habitat

Page 2: Body structure

Page 3: Locomotory organs

Page 4: Respiratory organs

Page 5: Any special information

Page 6: How to conserve them

SST: On an outline map of the World (physical) mark the oceans and continents and colour it and paste in your SST(Geography copy).

2nd Language:

Hindi: चित्र बर्णन : page no-87 (Do it in your Hindi Grammar Book)

Bengali: বিশেষণ পদের শ্রেণীবিভাগ করে প্রতিটি ভাগের বর্ণনা দাও (চিত্রসহ)। [Do it in your project file.]

Computer:

Do worksheet -Pg no.44 (Ex A, B) and Pg No.45-Ex A

HAPPY HOLIDAYS!!
